The recent census indicates that the population of Madison county has decreased 552 in the past ten years. The falling off is thought to be due to the fact that the mines at Mine La Motte were not in operation when the 1920 census was taken. The population of Fredericktown has increased 492 since 1910.

Graniteville Camp, 8902, M. W. A., will give a Grand Picnic and dance at Graniteville, July 3d. Music by the Bismarck Brass Band. We are informed that the Schulte Mining Co. has sold all the machinery which was used in sinking the shaft on the property. While in Ironton last Saturday Mr. Wm. Prass, manager of the Cozian Bakery Company at Flat River, presented us with a loaf of the famous Butternut Bread, and most toothsome cake. Both were delicious. Mr. Prass says they have already secured a fine trade in the valley. Their truck arrives here early in the morning with the bakery products just hot from the ovens.

From the Fredericktown Democrat-News: "The authorities in charge of the Arcadia Assembly have notified President Loomis that July 8th has been set aside for Marvin College Day. Kallmier and party of friends from St. Louis arrived in Ironton shortly after noon Saturday in a car on their way to Annapolis from where they contemplated making a trip to Black river to remain a couple of weeks fishing and hunting. The following teachers have been employed to teach in the Ironton schools for the ensuing year: E. Dear-dorf, superintendent, science; Mrs. Mayfield Auf, teachers' training and music; Miss Catharine Bush, English and mathematics; Miss Minnie January, history and common subjects; J. W. McKinney, principal of grades, 7th and 8th grades; Mrs. J. D. Boardman, 5th and 6th grades; Miss Esther McKinney, 3d and 4th grades; Miss Louise Gross, 1st and 2d grades. Each teacher has had experience and special training for their respective work, and we feel that this should be a very successful school year.

Prof. B. W. Loomis, the new president of Marvin College at Fredericktown, was here this week in the interest of that institution. Mr. Loomis was principal of the Flat River High School for several years prior to a few years ago. His many friends in this county wish him much success in

his new work. We need more rather than fewer church schools, according to our way of thinking. We are glad to learn that Marvin is to get substantial financial assistance soon from the General Board of Education of the Southern Methodist church. This will probably mean that this splendid church school may be saved to the great good of the hundreds of boys and girls in Southeastern Missouri who may enter its doors for their educational training.—Farmington News.

No Excursion to the Valley This Year.

Because no reduced railroad rate can be secured the Iron County Club reluctantly abandons the plan for an excursion from St. Louis to the Arcadia Valley this summer. The following letter from Mr. J. F. Griffin, division passenger agent of the Missouri Pacific Railway, is self-explanatory:

ST. LOUIS, MO., June 17, 1920.

MR. FRED J. KILALEE,
St. Louis, Mo.:

Dear Sir:

In reply to your letter of June 14th in regard to running a Sunday Excursion train St. Louis to Arcadia, Mo., and return.

I take it that you have in mind the running of an old time popular price Sunday excursion which this Railroad discontinued some years ago.

The cheapest rate from St. Louis to Arcadia, Mo., and return under our present tariffs is \$4.43 plus 35c war tax. We do not charter coaches on a lump sum rate but require a ticket for each passenger at the prevailing rates.

Any further information shall be cheerfully given.

Yours truly,
J. M. GRIFFIN,
Division Passenger Agent.

We thank the REGISTER for helping us in trying to arrange for an excursion to the valley this summer and we regret to give up our plans. But we'll have to wait until "happier days."

FORTY-THIRD ANNUAL COMMENCEMENT

OF THE

AND URSULINE ACADEMY

The Commencement Exercises were held in the College Auditorium last Thursday, opening at 2 P. M. The program was of the class peculiar to this institution—classic, instructive and entertaining. I regret that, in this instance, I speak through hearsay, for—for the first time in many years—I was unable to attend. The great throng that filled the spacious hall are at one in praise of the program and its rendering. Heaven bless the bright and happy youth who graced the stage, and may the future hold naught in store for them that will quench their spirit or subdue their happiness! May good fortune and long and useful life attend them every one.
